

SempreMini Quick Start Guide

Pairing Your SempreMini with Your Bluetooth-enabled Phone

1. Make sure the SempreMini is fully charged.
2. Turn on the Bluetooth Function on your device.
3. Place the SempreMini and your device where they are close to each other.
4. Turn the Mini on by holding the Multi-Function button until the status indicator light flashes blue and red.
5. Search for Bluetooth ready devices in your Bluetooth menu on your phone and select "SempreMini". Enter 0000 for the passcode, if required.
6. When pairing is complete, SempreMini will flash blue.

Note: Be sure the SempreMini is not within pairing range of another Bluetooth capable device when pairing.
