Charge the SA-40

1. Install the SA-40 Battery Pack.
2. Charge the SA-40 for 4 hours.

Pair the SA-40 with your Cellphone:

1. To perform the initial pairing, from your cellphone turn Bluetooth® "ON".
2. After charging for at least 4 hours, turn on the SA-40. The SA-40 will blink as it pairs to your cellphone. Follow the prompts on your cellphone to complete pairing. If your cellphone asks for a Pin Number, enter: 0000.

Select an Operating Mode:

1. **HS** - Use the SA-40 as a handset.
2. **T** - Couple with your T-Coil Hearing Aid. Caution: If **accidentally** switched to the "**T**" position the SA-40 speaker will not work.
3. **SPKR** - Use as a speakerphone.
